Hi Laura,

No worries on the delayed response. I've been working through a host of connectivity issues over last couple weeks and still playing catch up. This Friday at 8 p.m. works great. We're getting the final necessary logistical pieces into place to announce public interviews in July and are really pushing to get a release out this Friday to meet the six week notification request. To that end, we could use some help in getting the word out.

Also, I did get the invitation to tomorrow's meeting. I will be listening in but just as heads up, (b)(6) about the same time so my participation will be somewhat constrained.

Subject: [Non-DoD Source] Hi John! Following Up & Hot Wash Question || RE: Bradford Island Public Involvement Coordination || Thank You!

Hi John! Great to hear from you and apologies for my delayed reply! Below are some days and times that would work for a check-in (if these don't work for you, please suggest some other times). Could you please pick one of the options below and send me an invite?

- **Friday, June 10:** 8am – 9am
- **Tuesday, June 14:** 8am – 9am
- **Thursday, June 16:** 8am – 9am, 9am – 10am
- **Friday, June 17:** 8am – 9am, 9am – 10am

Also, in advance of our check-in, I'd like to touch base with you about the **“hot wash or after-action report”** we had previously discussed after your May 12th Bradford Island Public Meeting. Helen and Rich (copied on this note) let me know that Chris scheduled a Bradford Island Corps/EPA meeting for tomorrow, Thursday June 9. I was thinking it might be good for you and me to try and join that meeting so we could help facilitate the hot wash in that space for 10-15 minutes? If you think this makes sense, **could you please work with Chris to make sure that you & I get invited to tomorrow's meeting?**

Thank you so much, John! Please let me know if you have any other questions and I look forward to catching up soon.

Hi Laura,

It's been a min since we last talked. I'm reaching out to reestablish our communication efforts. What's a good time for us to catch up?
